

2021 NATIONAL

Child Tax Credit and Debt Ceiling Poll

| | ALL VOTERS | GOP | DEM | IND |
|--|------------|-----|-----|-----|
|--|------------|-----|-----|-----|

1. The March 2021 COVID-19 stimulus bill temporarily increased the annual child tax credit for workers with dependents from \$2,000 per child to \$3,600 per child under age six and \$3,000 per child ages six through 17. Do you support or oppose allowing this increase to expire as scheduled at the end of 2021?

All Respondents:

| | | | | |
|---------|-----|-----|-----|-----|
| Support | 53% | 59% | 44% | 58% |
| Oppose | 33% | 30% | 42% | 26% |
| Unsure | 14% | 12% | 15% | 16% |

With dependents under the age of 17:

| | | | | |
|---------|-----|-----|-----|-----|
| Support | 58% | 58% | 52% | 65% |
| Oppose | 30% | 29% | 39% | 22% |
| Unsure | 12% | 13% | 9% | 13% |

2. Would you support or oppose increasing the federal borrowing limit, sometimes called the debt ceiling, which is currently at \$28.5 trillion?

| | | | | |
|---------|-----|-----|-----|-----|
| Support | 27% | 14% | 39% | 26% |
| Oppose | 54% | 73% | 36% | 54% |
| Unsure | 20% | 13% | 25% | 20% |

| DEMOGRAPHICS | PARTY AFFILIATION | | | AGE | | | GENDER | |
|--------------|-------------------|-------|-------|-------|--------------|--------------|------------|-------------|
| | | 34% R | 36% D | 29% I | 38% 18-44 | 37% 45-64 | 26% 65+ | 48% MALE |

Results for this poll are based on automated telephone interviews conducted among a nationwide sample of 618 likely voters (307 without dependents under the age of 17). Data for this survey research was collected by Cor Services, Inc.

Interviews were conducted via a computer-assisted telephone interviewing system utilizing techniques designed to achieve the highest possible respondent cooperation.

The surveys were conducted August 18-24, 2021. The margin of sampling error is plus or minus 3.94 percentage points (5.59 percentage points for results of those without dependents under the age of 17). The margin of sampling error may be higher for certain subgroups. Results presented may not always appear to total 100 percent due to rounding.

Data was sampled using weighted demographic information from the U.S. Census Bureau's Current Population Survey Voting and Registration Supplement and the state election authorities. Demographic information for actual voters in past elections were used to construct sample target weights.

Opportunity Solutions Project paid for all costs associated with this survey.
